

# ACEBUSTERS

Who you gonna call ?

The background is a dark, blurred image of a poker table. In the foreground, a stack of red and white checkered chips is visible on the left. To the right, a hand is holding two playing cards, the Ace of Hearts and the King of Hearts. In the background, other cards and a pile of multi-colored chips are out of focus.

# **The Poker Revolution:** Making online Poker fair and secure

# The problem with online poker today

- Superusers and rigged games
  - The counterparty (e.g staking, *"black friday"*)
  - Rising rake, less rakeback
-

# The solution

A fair shuffle guaranteed  
by the **Mental Poker**  
Protocol

Self-controlled funds  
secured on the **blockchain**

Trustless immediate  
**staking**

A **democratic** community

# The benefits

Full control over your deposits and withdrawals

A guaranteed fairly shuffled deck - no superusers!

Trustless staking and sidebets

Less rake
